**FORMAL NOTICE — IMMEDIATE ATTENTION REQUIRED
CEASE and DESIST**

READ THIS FIRST (PERSONAL WARNING)

This and the attached documents are formal advisements warning you that your office, role, or agency may be assisting in, or an extension of, a potentially unlawful machinery and practice posing significant repercussions.

Failing to carefully review and respond to this notice may increase **personal and institutional exposure** for you, your agency, and/or the entity you represent.

You should **personally read the attached notices in full**. Do not assume they are for someone else, higher leadership, lawyers, or "another department."

These notices describe misconduct risks and potential consequences. You should

consult legal counsel or your agency's **risk/compliance team immediately.**

If the described practices continue after receipt of this notice, your office and/or you personally may later be treated as having been informed—even if you did not read it carefully—which may be cited as evidence supporting findings of intentional ignorance, willful blindness, and reckless disregard.
